An allowance of Rs. 150 was given to Dy. Commr, KORA, "in view of the special responsibility attaching to the Dy. Commissionership of KORA, and also of the inconveniences incidental to a living on the fields." The non-admission of Daily Allowance for stays at K. S. F. is evidently therefore due to the grant of this Local Allowance, which has recently been ordered to be withdrawn on change of incumbents, the Allowance being reduced by half in the case of the present holder.

There seems therefore to be no objection to grant d.a. in

future for stays at K. S. F., the present Dy. Commr. being permitted to draw only half the usual rate of

The references do not show that
there is any relation betⁿ the special
allowance given to the DC Kolar and
the existing practice under which he is not
given d/a for his halts at the
fields. The present DC is drawing
half the special all^{ce} and his
successor can not draw any part
of it - what is material to the
consideration of Mr Heringham's
representation is that the fact
that DCs Kolar are permitted to
occupy a building on the fields
free of rent. In view of
this, half d/a may be allowed
irrespective of the fact whether
the special all^{ce} now attached to
the app^{nt} of DC Kolar is drawn
on or not - when the special all^{ce} is
fully withheld there can be no
claim for full d/a. This is not necessary
to give retrospective effect to
this arrangement of giving half d/a

To

Rajakanyasakta,

M.N. Krishna Rao, Esq., B.A.

Secretary to Government of Mysore,

Financial Department, Bangalore.

Sir,

I have the honour to state that the Deputy Commissioners of this district have not been drawing daily allowances for the halts made by them on the Kolar Gold Fields. I have not been able to trace in spite of much search and investigation the Government Order on this point but I understand that the non-admission of daily allowance for such halts is due to the fact that the Deputy Commissioners were in receipt of a local allowance of Rs. 150/- per mensem. But

as the allowance was retrenched by half so far as I am concerned in Government Order No.F1.411-60/S&A 7-22-1 dated 18th July 1922, I request that the sanction of Government may kindly be obtained permitting me to draw with effect from the date of the said order half the daily allowance, i.e., Rs.2-8-0 per diem for halts made on the Fields, in cases where such allowances are otherwise admissible.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District.
